Studio Policies

Session fees must be paid on the day you are photographed. A \$100.00 deposit is required to remove preview sheets from the studio. Preview sheets must be returned within 10 days or deposit will be forfeited. This deposit is non-refundable and is credited directly to your portrait order for that session only. If package or equivalent is not purchased preview sheets may not be removed on future sessions. Print prices do include basic retouching. Any desired retouching must be requested at the time order is placed and may incur additional charges. A fifty percent deposit is required at the time orders are placed. The balance is payable on delivery. Cropping and color on finished orders may vary from previews. Finished prints are fully color corrected and cropped to best suit print size. All retouching and cropping requests must be discussed at the time the order is placed. No part of any order may be taken from the studio until entire order balance is paid in full. Delivery time on standard portraits is approximately three (3) weeks. While we will make every attempt to meet an earlier delivery request, orders requiring guaranteed delivery in less than three weeks will require a thirty five percent rush fee and must be requested when order is placed.
